Information Sheet... About Us

Aero Kids Early Learning Centre is a long day care centre located in the Aero247 Building in Mascot. We are on Level 2 (Suite 2.11), 247 Coward St. We have **dedicated drop off/pick up car spaces** for parents provided under the building.

Aero Kids is owned by ACS Child Care Services. ACS also owns and operates a long day care centre in Melbourne. Under their guidance, the Melbourne centre has been developed into a high quality service with a strong emphasis on education.

Aero Kids Early Learning Centre is a **90 place centre** consisting of 6 playrooms, two in each of the groups - Nursery, Toddlers and Preschool. The Centre has a large outdoor area with quality equipment for outdoor play for all age groups.

Our opening hours are **7.00am-6.30pm**. Fees are \$95.00 per day for children under 2 and \$90 for children over 2 years of age, which will be adjusted down according to parents' Child Care Benefit (CCB) percentages (income tested).

Families are also entitled to the 50% Child Care Rebate (CCTR) (not income tested), up to \$7500 per year. Information regarding the CCB and CCTR can be found on the Family Assistance Office's website (www.familyassist.gov.au) or phone them on 13 61 50.

You are required to link to our service through the Family Assistance Office to receive both of these payments. Please call the Family Assistance Office on 13 61 50 and ensure that you have had a CCB assessment completed with them.

The set daily fee is all inclusive. Everything is supplied for your child, including nappies, meals, snacks, sheets and laundering, sunhats and sunscreen as well as visitors/entertainers to the Centre and excursions. However, parents of infants will be asked to supply their child's formula as required. One of our aims is to make using child care as easy as possible for parents.

Aero Kids employ **staff at above legal ratio** requirements, which enables the development of **high quality individual programs** for your child. This will enable your child to achieve their optimum developmental and educational levels.

Our qualified and **experienced cook** prepares a variety of delicious meals and snacks to meet your child's recommended daily nutritional requirements while also catering for differing cultural backgrounds, food allergies and intolerances and religious beliefs.
